

## Medical Bill Review & PPO ICING

ICS has emerged as a unique national medical bill review alternative for Insurance Carriers, Third Party Administrators, State Funds, and Self Insured Employers by providing flexible service delivery through our proprietary technology and offering access to national and specialty PPO Networks.

By leveraging our managed care, claims, and technology experience ICS achieves significant improvements with an integrated bill adjudication and payment process that creates customized solutions allowing our clients to design a model that provides them with a differentiator in the marketplace and creates efficiencies within their operations.

Our *comprehensive information systems and proprietary technology resources* streamline operations, communications, data exchange and reporting through web-based portals and direct systems interfaces.

Our advanced processing technology, experienced subject matter experts, and PPO ICING provide clients with savings that are unmatched in the industry. Our customized Medical Bill Review & PPO ICING service solutions include:
